Dear Counsel:

On August 28, 2024, we sent you email correspondence requesting the approval of an Agreed Protective Order to produce records marked as confidential in this matter. Your response stated, "we agreed to protective order 3-4 months ago our position is the same so please to court with our acquiescence."

We have searched all correspondence and emails from your office and have found no communications where you agree to a protective order in this case or provide one to be entered. If you believe you have made such a communication, please forward it to our office at your earliest convenience.
